DMV Request Outline:

There are many reasons you may wish to write to the Department of Motor Vehicles (DMV) to request relief. Perhaps you have very old parking tickets, or your license was suspended, et al. You may find some leniency from the DMV to help you drive again, especially to get to work. This form has been created by folks in the FCI Sandstone Career Resource Center and is meant to be used as a template or outline for you to use to create your own.

THANK YOU FOR YOUR SERVICE!

The veterans' page was created to assist veterans who have been incarcerated as well as their families. The programs and resources on this page can help reduce the pressures associated with reentry. Our hope is that you will find these resources helpful in providing relief as you face the challenges of finding and supporting an effective way of life after incarceration. Thank you for your service to our country.

The Transition Assistance Program (TAP) was established to meet the needs of veterans during their period of transition into civilian life by offering job-search assistance and related services. The guide books below were created specifically to support you by applying considerations from your service life to your job seeking. Check in with your local TAP program to find out about jobs that are available near you. To locate your local support office, click on this link:

Housing

We receive very little housing information, especially on a national scale. Recently, however, the two-part document came to us from a HUD representative. So began my attempt to connect you to HUD.

Two Part Reentry HUD Housing Request

Since HUD does not offer any documents (that I could find) of their locations (the book does not even offer office locations, only links and email addresses) please ask your people outside to investigate further.

Voting Rights

Voting rights vary from state to state. In two states, Maine and Vermont, incarcerated people can vote in prison. In all other states people in prison lose their voting rights all together. Voting rights are automatically reinstated at various times throughout the completion of the sentence. There are no longer any states with a lifetime voting ban!

According to The Sentencing Project, felony disenfranchisement (the loss of voting and other civil rights) is an obstacle to participation in democratic life which is exacerbated by racial disparities in the criminal justice system (and creates) a disproportionate impact on communities of color.

To find out more, please visit The Sentencing Project:

NATIONAL INVENTORY OF THE COLLATERAL CONSEQUENCES OF CONVICTION

Collateral Consequences of a Criminal Conviction

Collateral consequences are legal and regulatory sanctions and restrictions that limit or prohibit people with criminal records from accessing employment, occupational licensing, housing, voting, education, and other opportunities of a criminal conviction... This state/national resource is now a project of the Council of State Governments.
