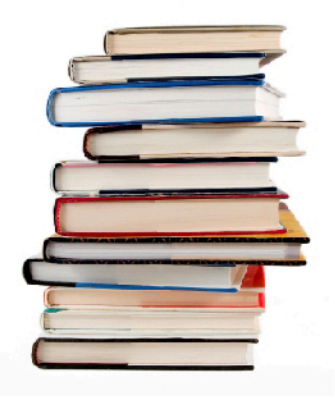
# Used Book Drive!



We're sending new and used books to prisons to support self-directed education and self-improvement. Many prisoners are looking for something fresh and interesting to read, and many prisons sorely lack current or diverse books.

**Please consider donating some of your gently used books!**

**Some of the most requested books include:**
Dictionaries, thesauruses, fiction, self-help books, trade books, law dictionaries, and journals

## Please drop off your books here:

## Book Drive ends:

**Thank you!**
