The Start of a New Beginning:

How to use this book

This book is intended to prepare you for your arrival home and reintegration back into society. In order to make the transition smoother for you a list of resources have been compiled along with a list of necessary items you will find that are essential to your success. This book focuses on the first few weeks and months of your arrival home and assisting you on managing the transition. Although not every resource available to you will be found in here, there are many that will help to guide your journey.

Unless a fee or charge is listed, all of the services and resources listed here are free.

Each section of this book is categorized by items that you will need in order to find employment, return to school, and to obtain identification. It will also provide addresses, websites, phone numbers, and general tips on how to acquire that particular service. You can use the table of contents to easily identify what service you require, and follow instructions as to how to contact providers.

FYI: ***Please feel free to utilize your social services department for assistance in contacting an agency or inquiring information about a service found in this book. There are some services that may be free to you that you can contact through your social services department before making an out-of-pocket expense.*

There are things that can be completed prior to release from prison. Two things specifically are requesting a duplicate social security card for **FREE** and applying for a birth certificate for a **fee**. Please contact your social worker six months prior to release to apply for these items. By doing this while still in custody, you are taking a large step towards making your transition back into the community easier for you. Providing both documents are processed successfully, you will have two necessary forms of identification made available to you the day you are released. This will speed up the process of finding employment.

You will not find every service or organization in **Essex County** in this book, however there will be many to help you begin. Also, the organizations that are listed may be able to offer additional resources to you. For current information as services change procedure and or cost please visit www.njsuccess.org.

You may visit your local library for Free

Internet access listed on PAGE 45.

Getting Started:

Identification (I.D.) and Other Documents

In order to apply for employment, rent an apartment, apply for general assistance, food stamps, or Medicaid, proper identification will be required. The more identification you have in your possession, the easier it will be for you to obtain these services. Certain items can be obtained while you are still incarcerated ask your social worker for assistance, and, for the remainder, this book will point you in the right direction.

FYI: In order to obtain identification, various agencies will require proof of address. It is smart to keep bills in your name or official documents that have your name and address for further verification of your address.

A. Social Security Card

If at all possible, apply for a duplicate social security card with your social worker six months prior to release. If for some reason this is not possible or your application has been denied, you will need to visit your closest Social Security Office to apply. The following offices are the local branches in Essex County. Please find which office is closest to your residence.

(www.ssa.gov/replace_sscard.html). You will need to show proof of identification. **Prison release papers count as proof of identification. Also, use your NJDOC Temporary ID card.**

B. Birth Certificate

The office of Vital Statistics in the New Jersey Department of Health and Senior Services has all the New Jersey birth, marriage, and death records. The fee is **\$25.00**. However, depending upon where you were born in Essex County, you may be able to apply for a birth certificate for a lesser fee.

D. Driver's License

Once you are released from prison, you can go to the Motor Vehicle Commission (MVC) to get a new driver's license, replace a lost one, or renew a card that has expired. If you believe that your license has been suspended, you should confirm this and figure out what you need to do to get it back. If you were convicted of any kind of drug offense, your license has been suspended.

Prior to your release, you can get a copy of your driver's license record, which is called an "abstract." Please contact your social worker if you are interested in obtaining an abstract. **The fee for an abstract is \$15.00**

Upon your release, you can go to the MVC offices in Essex County (listed below) or a Regional Service Center to request

a driver's abstract. If you have internet access, you can also request an abstract online at WWW.STATE.NJ.US/MVC. You will still have to pay **\$15.00**. If your license was suspended for six months or more because of a drug conviction, the period of the suspension will begin from the time of your release. Other kinds of suspension, such as failure to pay parking tickets, insurance surcharges, or child support, will last until you have paid the fine or worked out a payment plan. For questions about suspension, call the suspension hotline: **609-292-7500**.

Restoration Fees, Tickets, and Surcharges: If you found out that your license has been suspended, you will have to pay a restoration fee of **\$100.00** in order to have your license reinstated. This does not include any additional fines or surcharges you are required to pay. This fee can be paid at your local MVC Offices in Essex County or a Regional Service Center (see below). If you have internet access, this fee can be paid online at WWW.STATE.NJ.US/MVC. You can pay your surcharges and parking tickets on this website as well.

J. NJDOC Release Papers/Temporary I.D. Card

Make sure you keep your prison release papers and temporary I.D. card. Your release papers can serve as identification in some circumstances and your I.D. card is valid for 30 days.

First Steps After Release:

Where Do I Go to Find...

This section provides resources for food, shelter, clothing, money, and other emergency needs. We have provided some resource options in Essex County that you can utilize upon release.

FYI: Important paperwork will be needed repeatedly throughout your life. Make sure to invest in a folder or safe to keep important documents. **Never** carry your birth certificate or social security card with you. You will only need to produce these items upon request. It is smarter to keep them in a safe place. Leaving them with someone could also result in your documents getting lost so be very careful.

Also, make sure to keep a notebook and a pen with you to write down the names and phone numbers of the people you come in contact with at various agencies. Remember, nobody is going to care about your success as much as you do.

Provided for you are agencies and services that can assist you in finding your basic needs.

FYI: It is a good idea to call first to check that the hours of operation haven't changed. Please try to be patient with those that are attempting to assist you.

D: Transportation

There is no general program that will provide assistance paying for transportation. NJ Transit will no longer accept release papers in substitution for bus tickets. However, you may purchase transit tickets from NJDOC for \$2.50 prior to release, which will assist you with reaching your destination.

Some of the programs listed in this book will provide bus passes to help you participate in a particular program. If you are assigned to a community/social service or reporting program, you may want to ask if the program offers transportation assistance.

For specific bus, rail or train schedules and fares, you may call NJ Transit: (973) 275-5555, NJ Text Telephone: 800-772-2287 or visit the NJ Transit Website: <http://www.njtransit.com> For specific route information on the website, click on the “trip planner”. For your Essex County travel convenience, may want to purchase weekly, monthly or discounted transit passes (when applicable).

Medicaid recipients may obtain a list of approved Medicaid transportation providers from the Essex County Board of Social Services.

Medicaid recipients may be eligible for the “Dollar-A-Day Car Insurance Program”. If you intend to drive places, remember that you **must** have a valid driver’s license and valid auto insurance for any vehicle that you are driving. New Jersey now has a “Dollar-A-Day Car Insurance Program” for low-income individuals who receive Medicaid and want to insure a car registered in their name. It costs **\$360.00** per year if you pay all at once and **\$365.00** if you pay in installments. You cannot get this insurance if your license or registration is revoked or suspended. Other restrictions may apply. For more information contact: 800-652-2471;

Please call between 8:30-5:00 Monday-Friday

This service is made available to those citizens that are specifically prevented from using the bus system due to their disability.

E. Money

Once you are released from custody, you will need a source of income until you can find a job. (see section on “Finding a Job” for job seeking information). **The DOC does not provide any “gate money,” except for the money you may have in your inmate account. If it is possible to save any money before you are released, you should try to do so.**

Based on need, Parole can give up to \$300.00 in emergency funds, but it is at their discretion. Ask your parole officer about this.

You may be eligible to get some sort of public assistance (welfare), not everyone qualifies for this. Listed below are some basics on seeking and applying for benefits.

**GENERAL ASSISTANCE (WFNJ-GA) AND
TEMPORARY ASSISTANCE FOR NEEDY**

FAMILIES (WFNJ-TANF) provide cash benefits, GA for single people and TANF for people who have custody of their children. Both programs will require you to work or actively look for work and both have a five-year lifetime limit. Work First New Jersey also has an Emergency Assistance program that you may qualify for if you are homeless or at risk of becoming homeless: it can pay for things like food, clothing and transportation costs to look for housing, but also utility payments and temporary rental or mortgage payment assistance. Depending on the county you are returning to, you may be able to meet with the **P.R.E.P.A.R.E** social worker at your institution and complete a WFNJ-GA application prior to release. You can contact your social worker for more information.

WFNJ-GA AND WFNJ-TANF

Application sites in Essex County:

Essex County Dept of Citizen Services
Division of Welfare
18 Rector Street - 9th Floor Newark, NJ 07102
(973) 733-3000
Fax: (973) 643-3985

FYI: Please call your local office to verify what the eligibility requirements are for obtaining General Assistance

FOOD STAMPS

You may apply for food stamps while applying for GA/TANF.

If you were convicted after August 22, 1996 of a drug distribution or sales offense, you may still be able to get Food Stamps if you have completed or are enrolled in a licensed drug treatment program, or completed a program in prison and are drug free (**you will be tested**). Same goes for possession offenses. Please contact the welfare office in Essex County to inquire.

F: Veterans Benefits: If you were receiving veteran's benefits, either for disability or a pension, and you were incarcerated for more than 60 days, you will have to get reinstated after you are released. If you were not receiving benefits and you are a veteran, you may be eligible for benefits or for other programs and services, including health care. You can contact the **P.R.E.P.A.R.E** social worker in your institution located in the social services department for assistance. You can also contact the Veteran's Administration for questions about benefits at 800-827-1000; the health

benefit number is 877-222-VETS. The 24 hour veteran's mental health hotline is **1-866-VETS-NJ4U**.

You can inquire about WIC at the city and county welfare offices.

Taking Care of Yourself: Getting Support

The transition from prison back to society may take some time to get adjusted and we want to provide you with options to lessen the burden. Taking care of your mind and body will be important for your success. Below are a few places that may be of assistance.

Health Care Resources

It is very important that you pay close attention to your health after you are released from custody. Change in your daily routine can cause a certain level of stress. Stress along with any medical condition may worsen if routine monitoring and treatment are not available. Therefore the resources listed below provide information on paying for health care, clinic visits and other resources in Essex County.

A. Health Care Benefits: Am I eligible?

In New Jersey, the **Medicaid** program provides health care benefits for some low-income people. If you gain custody of children under 18 when you are released, you may qualify if you are; *single, head of house and unemployed, or existing earnings are not enough to support the household* Other eligibility requirements include low-income status, over age 65, blindness, or inability to work due to a disability.

If you are disabled and are applying for SSI, you will also be screened for Medicaid at that time. If you qualify for General Assistance benefits, you will get some very basic health care benefits through Medicaid (Plan G). **Medicaid is a separate program from GA or TANF, so you don't have to be eligible for those benefits to qualify for Medicaid.**

For questions about New Jersey Medicaid, call
1-800-356-1561 or contact Essex division of Welfare
(973) 733-3000

If you are a veteran, you may be eligible for health care benefits through the **Veteran's Administration**, which provides a "Medical Benefits Package" for enrolled veterans. You may call 877-222-VETS for more information about eligibility and applying for benefits.

Easter Seals New Jersey provides information, referrals and loans of medical equipment (including wheelchairs) to people in need. For information call the number provided for the State of New Jersey 732-257-6662.

B. General HealthCare Providers

Even if you do not have Medicaid or other health insurance and benefits, Essex County has clinics that provide Primary health care at low cost, sliding scale or free service. They are listed below. F. MENTAL HEALTH /SUBSTANCE ABUSE RESOURCES

FYI: Drug addiction can be fatal to your health, not to mention illegal and can result in jail time. In order to be successful in society seeking services for a drug or alcohol addiction will be necessary. Many of the health clinics, support centers and other resources listed in this guide can help refer you to treatment that most fit your needs. Listed below are some of Essex County's treatment resources and each of these will also help with referrals if they can not help you. If you want treatment, you should also ask your parole officer for help — beds in treatment facilities are hard to come by, and they can help get you in. There are Narcotics Anonymous (NA) and Alcoholics Anonymous (AA) support group meetings all over Essex County. To find a meeting near you, call 866-920-1212 (for AA) or 800-992-0401 (for NA). For other self-help group resources, call the New Jersey Self Help Clearinghouse at 800-367-6274. Also, you can call the Addictions Hotline of NJ at 800-238-2333.

FYI: Each county has a mental health administrator. When you call this person they will provide you with the names and phone numbers closest to your area to provide services that fit your needs.

Finding a Job: Employment Assistance and Training Programs

Getting a job is usually one of the most important necessities when released from prison. Not everyone can obtain employment immediately, sometimes things like getting drug treatment, dealing with your housing, health or family situation may come first. For most people, though, finding work is the first step to getting back on your feet. It will be very challenging to get a job once you have been in prison, but it is not impossible, and you need to be persistent and patient. Below are some pointers on job searching, and information about resources that can help you find a job or get training for the job you want.

A. Things to Know Before You Start Your Job Search

Be Prepared: It is essential that you are organized, and have all records of previous employment available when beginning a job search. A resume is the smartest thing you can create. If you are unsure of how to do so, you may go to your local one-stop career center and seek assistance. Not only will employers want to know your work history, they will inquire of accurate dates that you were employed with the company. Knowing this information is vital to ensuring employment. Employers will not be interested in hearing that you do not remember dates or addresses for your work history. If an employer decides to hire you he will also need your identification so make sure that is readily available.

Presentation: Look as neat, clean and organized as possible, no matter what the job is. Be polite and respectful, even when people are not polite and respectful to you, and many won't be. Making the person you want to help you or hire you mad won't get you the job you want.

Talking About Your Criminal Record:

Never omit or falsify a document that asks you specifically if you have a criminal record. The application may ask you to give details to the nature of your crime and it may not. Chances are a criminal background check will be administered prior to employment and lying will cost you the job.

**IT'S A JOB FOR RIGHT NOW,
IT'S NOT THE REST OF YOUR LIFE**

When you are first starting out, especially if you've been out of the job market for a while, or have never had a job, you need to build a work history, and, of course, you need to make some money. Take whatever job you can get for now — it doesn't have to be the exact job you want, or what you eventually want to be doing. Do this job well—even if it's not a great job — and it can help you get a better one in the future. **One year of good job performance will make your criminal record matter less.**

**B. Help with Job Search and Job Training:

**C. Legal Restrictions on Employment and
Protections Against Discrimination**

If you are interested in getting a job and building a career in a particular area, you should make sure that it isn't one that is forbidden to someone with the kind of criminal conviction that you have on your record. There are about 22 categories of jobs in New Jersey that exclude people with convictions (which conviction it is varies by job). These include: aircraft/airport employees; paid public school employees, school bus drivers and school crossing guards; bank employees; bartenders and waiters in establishments where liquor is served; housing authority and municipal police and parking enforcement officers; New Jersey Turnpike Authority employees; liquor retail, wholesale, manufacturing or distributing employees; paid firefighters; child care center employees; community residences for individuals with developmental disabilities. A much larger number of jobs require that you disclose your

criminal record, and that employers perform background checks; some of these, however, also require that employers consider evidence of rehabilitation. These include most jobs in the health care and counseling fields (including drug and alcohol counseling) and social workers.

FYI: If you are going to begin training in a particular field, make sure you find out from the training course whether there are any restrictions that will keep you from getting a job.

Protections for Licensed Occupations: If you are not absolutely barred from a position because of your conviction, New Jersey law says that you cannot be denied a professional license simply because of your conviction unless the crime for which you were convicted relates to the occupation you want to enter. If the licensing board or agency wants to deny you a license because the crime is related to the occupation, they have to explain, in writing, that they have considered certain factors like the seriousness of the crime, the circumstances of the crime, the date and your age when convicted, whether the crime was an isolated or repeated event, social conditions, and evidence of rehabilitation. You can ask your parole officer about applying for a “certificate of rehabilitation,” which can be used in your license application.

D. Benefits for Employers Who Hire People With Criminal Records

As you look for a job you can tell employers that the federal government has programs to support employers who hire people coming out of prison.

FYI: Work Opportunity Tax Credit (WOTC): With the Work Opportunity Tax Credit, your employer may be able to save up to \$4800 the first year you are hired. Make sure to inform your potential employer of this benefit.

For questions regarding WOTC, please call 609-292-5525 or 1-800-792-8881

Federal Bonding Program: Provides bonding “or insurance coverage” for employers who hire individuals with criminal histories who are otherwise qualified but cannot gain employment due to their criminal backgrounds. Please contact your local one stop for more information. 50 S. Clinton Street 5th Floor, East Orange, NJ 07018 973-395-5839, 990 Broad Street, Newark, NJ 07102 973-648-3370 and toll free 1-800-233-2258.

E. Opening a Checking or Savings Account

After you've gotten a source of income, you may want to open a checking or savings account. A checking account is a great idea because many jobs provide direct deposit, and your check is automatically deposited into your account on payday. Using checks to pay for your bills is also cheaper than using money orders. To open a checking account you usually need a picture I.D. (driver's license or non-driver state I.D.), proof of address, birth certificate, and a social security card. You can also request a debit card with your account, which you can use just like a credit card (as long as you have the money in your account already). You can get a debit card for either a checking account, or a savings account, but with a savings account you can earn interest on the money you've saved. Fees for these accounts will vary depending on the type of account and bank. Many banks now offer free checking.

F. Public Libraries

Your local public library can be a good resource for your job search. Public computers provide internet access (and help using the computer), job and course listings, and other local directories. Libraries also often carry the government forms mentioned in this guide, and librarians can help you find other information that you need.

B. Child Custody and Visitation

Establishing visitation and gaining custody of your children once you are released is not an overnight procedure. If you had custody of your kids at the time you were incarcerated, and no family was able to take care of them, they may have been placed in foster care. If this is the case, and you do not know your child's case manager's name or number, contact the Division of Youth and Family Services (DYFS), at 800-531-1091. You will have to make an appointment with the case manager for an interview. They may not be willing to give you information over the phone. You'll be asked a series of questions in order to assess when and if you will be given visitation rights, so that you may reestablish your relationship with the child and hopefully gain custody again. This is just a quick overview of what to do and what you can expect.

FYI: *If you were convicted of any violent or sexual offenses against children, you may be unable to live with or regain custody of your children.*

C. Getting and Paying Child Support

Whether you have custody of your children on your own when you get out, and need help from an absent “non-custodial” parent, or you do not have custody of kids who need your support, child support payments will be an important part of your life after you are released. Some basic information is included below, as far as enforcing a child support order.

Child support, custody and visitation issues are very complicated, and if you can get a lawyer, you should. Contact the Legal Services of New Jersey hotline, from 9:00 am - 4:30 pm, at 888-576-5529, or you can also contact Essex County Legal Services, at 5 Commerce Street, 2nd Floor Newark, NJ 07102 (973) 624-4500. From prison, you can also contact the Prisoner’s Self Help Legal Clinic, P.O. Box 768 Newark, NJ 07101.

Getting and Enforcing a Child Support Order

If you have custody of your children, and want financial support from the non-custodial parent, you can apply for child support at 212 Washington Street 11th Floor Newark NJ 07102 (973) 693-5660. There is a possible fee. You can also call 1-877 NJKIDS1 for more information about this.

Paying Child Support

If you have kids that you did not have custody of before you went to prison, there may be a child support order requiring you to pay a certain amount every month for their support. Even if you did not go to court — if, for example, the parent with custody filed for the order while you were incarcerated — the court can still order you to pay child support. The amount you pay in child support is tied to your income, and if the court does not know your income, they will assume you are working 40 hours a week at minimum wage. Child support payments are usually taken out of your paycheck. If you have not paid at all or missed payments, you will owe “arrear.” Unless you got a modification of your child support order when you went into prison (see below), the amount of arrears that you owe will have continued to grow while you were inside. When you come out, and get a job, they can begin to

take out not just the monthly amount you owe for child support, but more money to pay back the arrears (up to 65% of your pay in total). They may also suspend your driver's license. Here are some things you can do:

D. Domestic Violence/Sexual Assault Resources

Getting More Education

Although getting more education may not be part of your short term plans, it certainly should be something to think about for the future, especially if you do not have a high school diploma or a GED.

A. High School Diploma/GED Certificate/High School Equivalency Degree (HSED)/Vocational School Certificates

It is very important to keep records of any degrees and certificates of completion and work-related licenses that have earned. Before you are released, you can write to the school or agency where you earned your degree or certificate to obtain a copy. Once you have a copy in your possession, this should be kept in your strong box.

FYI: If you earned your GED while incarcerated please call the Education Department of the institution you were in to obtain a copy.

You can also request your GED transcript or diploma verification from the New Jersey Department of Education

providing you completed your diploma in a traditional setting. You will have to fill out a GED Information Request Form. Please call 609-777-1050 for further assistance.

You may ask that it be sent to you; or you may pick up the form at a local testing center (which you can do after you are released); by downloading the form from the website <http://www.state.nj.us/njded/students/ged/ged7.htm>; or by writing to: GED Testing Program, Bureau of Adult Education and Family Literacy, New Jersey Department of Education, PO Box 500, Trenton, NJ 08625.

Your chances of getting a job that pays a living wage, and of moving forward in a career will improve with more education, and not having the high school diploma or GED will simply lock you out from a lot of opportunities.

B. GED Classes

The places in Essex County below offer classes to help you prepare for the GED exam. Call for exact times and procedures. Many locations offer classes at low cost or no cost. Can I Get Financial Aid?

To pay for this, you will probably try to get some financial aid. If you are applying for any federal financial aid programs after release (such as Pell Grants, Perkins Loans, Federal Family Education Loans, etc.), you are not restricted unless you have a drug-related offense. For possession offenses, a first offense means one year of ineligibility (after your conviction), a second offense, two years, and third offense means you are “indefinitely” ineligible, which to the government means permanently ineligible. For a sales or distribution crime, a first offense has two years of ineligibility, a second offense makes it permanent. Private financial aid or loan programs may not have any restrictions.

Other Things You Need to Know

A. Getting Legal Assistance

To get assistance with civil (not criminal) cases, you can contact the toll free hotline for **Legal Services of New Jersey (LSNJ)**, which provides information and referrals, **888-576-5529**. For local Essex County legal services please contact the office located nearest to you.

B. Checking and Correcting Your Criminal Record (“rap sheet”)

Since employers, landlords and others will be performing criminal background checks and getting copies of your criminal record, it is important that you know what is on it, and that it is accurate. You should also be prepared to answer any questions about your background.

FYI: Background checks are now only done electronically. You may contact State Police Headquarters to inquire how to correct your criminal record. The address is listed below.

C. Expungement: Cleaning Up Your Criminal Record

You may have heard about expungement as one way to clean up your criminal record as you get some distance from your old arrests and convictions. Unfortunately, expungement is fairly limited in New Jersey. You can expunge any arrest that did not lead to a conviction at any point. You can expunge “disorderly persons offenses,” which are low level offenses in New Jersey, after 5 years, and most municipal ordinance offenses after 2 years. Convictions for “indictable offenses” (felonies), can be expunged 10 years from the date of conviction, payment of any fine, satisfactory completion of probation or parole or release from incarceration, but whichever is latest. The most serious of these offenses, such as murder, kidnapping, aggravated sexual assault, robbery, arson, perjury and distribution, sale or possession with intent to distribute of controlled dangerous substances (drugs), **can never be expunged.** Expungement is a broader remedy for offenses committed as a juvenile. Legal Services of New Jersey has published a guide to cleaning up your record through expungement.

To obtain a copy of the book, call 888-576-5529, or go to the LSNJ website, where you can download it for free: <http://www.lsnj.org/english/crime/municipalcourt/clearingyourrecord.cfm>.

D. Checking and Correcting Your Credit Record

While New Jersey allows employers to look at your criminal record, many employers — and others like landlords and mortgage companies — will use a credit report instead of or in addition to the state's records. Credit records are maintained by private companies and generally have information about your debts, your history of paying bills and other financial matters, but may also have information about your criminal record. The information may not be correct, and the law does offer you some protections. For example, if an employer uses a credit record to deny you a job, they have to tell you this, and give you the name, address and phone number of the agency that provided the report, and the agency must give you a copy of that information on your request. They cannot charge you money for that request if the employer used the report to deny you a job. If the records of the credit agency contain incorrect information, they must investigate and correct inaccurate information.

You can get ahead of the curve by getting a copy of your credit record and making sure there isn't any incorrect information on it. New Jersey residents are allowed one free credit report each year. Three companies that provide this service are:

Equifax Information Systems, LLC.:

Write to them at P.O. Box 740241, Atlanta, GA, 30374, or call 800-685-1111. By mail, be sure to include your full name, current address, Social Security number, and most recent former address for file-matching purposes.

Transunion Personal Credit Report:

PO Box 1000, Chester PA 19022
Call 800-888-4213.

Experian:

PO Box 2002, Allen, TX 75013
Call 800-397-3742.

E. Voting Rights

New Jersey law does not allow you to vote while you are in prison, or while you are on probation or parole for an indictable offense (disorderly persons offenses don't disqualify you). **Once you have completed your parole or probation term, you may register to vote.** Make sure that you are registered in the county in which you reside. **Applications for registration can be obtained from Social Services prior to release.** Also you may apply with the Division of Elections, the Commissioners of Registration office in the County where you live or from your Municipal Clerk once you are released. Registration forms are also available in various State agencies and at Division of Motor Vehicle offices and can be obtained while transacting agency business. If you are not sure, you can visit http://www.state.nj.us/lps/elections/vote_doe.html. You will be able to download a voter's registration form and mail it in. This site also explains who can register to vote and where you can register.

F. Registration of Sexual Offenders (Megan's Law)

Sex offenders are required to register with the police under Megan's Law. Offenses include: aggravated sexual assault; sexual assault; aggravated criminal sexual contact; endangering the welfare of a child by engaging in sexual conduct which would impair or debauch the morals of the child; luring or enticing and, if the victim were a minor and the offender not a parent, kidnapping; criminal restraint and false imprisonment and promoting prostitution of a child under 18. **You will be registered prior to release, but must re-register your home address at least 10 days prior to any move with the law enforcement agency with which you were registered when released.** You will also need to verify your address annually or every 90 days if you are a repetitive and compulsive offender.

The Game Plan

Your first weeks out after leaving prison can be overwhelming. This section is set up to help you get organized and keep yourself on track towards your goals. First, think about what those goals are — what do you want or need to get done in your first week out? In your first month out? Where do you want to be in six months? There are lots of things that other people need you to do — your parole officer, for example, and your family — but you also need to think about what you expect from yourself.
