# **Transitions Clinic**

Providing re-entry support and medical care for individuals returning from incarceration

We are **AdvocateAuroraHealth** 

## At the Transitions Clinic:

Our GOAL is to ensure that individuals recently released from prison have access to the necessary medical care and socioeconomic support that they need.

### **Patients we SERVE:**

Individuals released from prison in the past 6-12 months AND ONE of the following:

- Age 50 and older
- Chronic medical condition (e.g. hep C, diabetes, hypertension)
- Chronic mental health condition (e.g. depression, PTSD, schizophrenia)
- Substance use disorder (e.g. opioid use disorder)

### Community Health Workers (CHWs),

who have experience as returning community members, guide our patients through the transition out of prison and navigation of the health care system.
