Dear HUD Office:

I am currently an inmate at _____ and will be released to
_____ (City), _____ (State). I would like to request local rental assistance
housing resources. In addition, I would like to fully utilize any of HUD's housing reentry programs to
help me reenter the community.

Please send the information to me at the following address:

I appreciate your time and attention and look forward to hearing from you.

Sincerely,

Dear Housing Authority/Housing Manager:

I am currently an inmate at _____ and will be released to _____ (City), _____ (State). I would like to request a rental assistance application for your housing to help me reenter the community. Housing reentry programs are important in communities since they reunite families and greatly improve the chances of citizens being productive members where they live. There are also places in the country that have model housing reentry programs like the ones that can be found in the HUD booklet "It Starts with Housing" at https://portal.hud.gov/hudportal/documents/huddoc?id=HUD_It_Starts_with_Housing.pdf.

I will be an asset to the community in the following ways and sincerely ask for your help:

_____.

With your help of stable housing, I know that I will be on the road to success when I return to the community. Please mail your housing application to me along with any information about applying for your housing to the following address:

I appreciate your time and attention and look forward to hearing from you.

Sincerely,
