

Veteran's Reentry Guides by State

Once upon a time the federal government, and the Dept of Veterans Affairs in particular, thought it would be a good idea to create and freely share reentry guides for incarcerated veterans in every state. That generous spirit ended in 2017*. Fair Shake kept this library of guides. Some may continue to contain valuable resources, but many resources will no longer be available. If you create a resource collection for your state, Fair Shake would be honored to share them on our website and in our software. Thank you for your service! ~ sue
