Licensee shall not use the Software for the benefit of any third party (e.g., time-share or service bureau arrangement) without Licensor's prior written consent, at its discretion.

4.2 No Implied License. Except for the limited rights and license expressly granted hereunder, no other license is granted, no other use is permitted and Licensor (and its suppliers) shall retain all right, title and interest in and to the Software and Documentation (and all patent rights, copyright rights, trade secret rights and all other intellectual property and proprietary rights embodied therein).

4.3 Markings. Licensee shall not alter, obscure or remove any trademark, patent notice or other proprietary or legal notice displayed by or contained in any Software, Documentation or packaging.
